EDUCATION

Cornell University, College of Engineering, Ithaca, NY
Bachelor of Science in Mechanical Engineering

Expected May 2027
GPA: 3.91

Relevant Courses: Object-Oriented Programming and Data Structures; Statics and Mechanics of Solids; Dynamics; Thermodynamics; Differential Equations; Linear Algebra; Mechanics of Engineering Materials; Fluid Dynamics; System Dynamics; Biomedical Transport Phenomena

SKILLS

Programs: AutoCAD, MATLAB, Java, JavaScript, Python, Excel, ANSYS Fluent

General: Problem Solving, Communication, Team Collaboration, Time Management, Discipline, Grit

PROJECTS

Drop Down Shelf Compact Storage Solution, Cornell University, *Intro to Mech. Design* **Jan 2024-May 2024**

- Collaborated in a 4-person team in the development of a collapsible storage product, including Fusion360 design, assembly optimization, service and sustainability planning, user manual creation, and marketing deliverables.

CAD Model of a Garmin Watch, Cornell University, *Intro to Mech. Design* **Jan 2024-May 2024**

- Used fundamental CAD design principles to engineer a parametric model of a Garmin Forerunner 265 in Fusion360.

Fluid Flow in a Dialysis Machine, Cornell University, *Biomedical Transport Phenomena* **Dec 2024**

- Worked with 3 other peers to simulate fluid flow through a dialysis machine with ANSYS Fluent to determine the ideal design.

Assorted Woodworking Endeavors **Jan 2024-May 2024**

- Use machines, power tools, and hand tools to design and build a small table, model sailboat, spoon, spatula and other small carvings from scratch.

Mechanical Clock, The Athenian School, *Principles of Engineering* **Jan 2023-May 2023**

- Designed and prototyped a functioning mechanical pendulum clock, using OnShape to integrate 3D printed parts and machined wood.

COMMUNITY ENGAGEMENT

Women's Varsity Rowing, Cornell University, *NCAA Division I Student Athlete* **Aug 2023-Present**

- Persevere to the limits of physical and mental capabilities by training 20 hrs a week, while upholding a positive and supportive team culture
- Traveling to compete at collegiate regattas while maintaining full-time student schedule

Contra Costa Search and Rescue Volunteer, Contra Costa County, CA, *Cadet Captain* **Mar 2020-Aug 2023**

- Completed two month training program and Emergency Medical Responder course
- On-call 24-7 to search with a team to find missing persons
- Promoted to Cadet Captain after one year
- Organize trainings with adult leaders of the team

Oakland Strokes Inc, Oakland, CA, *Youth Rowing Coach* **June 2024-Aug 2024**

- Taught introductory rowing skills to middle and high school aged kids
- Organized and planned races and practices safely for 50+ kids with 3 other coaches

AWARDS

Bozzini Scholarship: For academic excellence, enthusiasm, optimism, and perseverance **May 2023**

US Rowing Youth National Champion: 1st out of 50 in Women's 4-; Steve Hargis cup winner **June 2023**

INTERESTS

Mountain biking, exploring, reading sci-fi novels, creative writing, woodworking
